

Global Money Transfer Video Transcript

It's never been easier to send money quickly and securely in up to 60 currencies with Global Money Transfers – all from the palm of your hand.

To make an international transfer, log on to the HSBC Australia Mobile Banking App, tap 'Move Money', then choose 'Send Money Internationally'. Once you've filled in the transfer details, double check the exchange rate, fees, estimated arrival time and transfer details before hitting 'Confirm'.

Whether you're making international payments or purchases overseas, or simply want seamless access to your money when travelling – the award winning HSBC Everyday Global Account lets you manage your finances and currencies all in one place.

Open up a world of opportunity with the HSBC Everyday Global Account and Global Money Transfers.
